

OHS Committee Training

OHS Committees are an important part of organising how to consult with your employees. This course is designed to up skill your existing OHS committee. You will notice an immediate impact after this intervention. Your committee will have a much better understanding of organisational expectations and legal obligations. It will be filled with exciting new ideas that you may not have considered previously. This training will ensure your OHS committee functions efficiently and achieves real OHS improvement.

Training Outcomes:

- Establish an OHS committee and operating procedures
- Clarify roles
- Make the committee more effective
- Improve follow up action
- Understand the role of the committee and its members
- Participate effectively as a committee member

3 Steps to getting your OHS Committee Training action plan:

1. Contact us today 03 9805 8000 or email mail@preftrain.com and give us an overview of your OHS Committee Training requirements.
2. We will organise a subject expert with proven experience on a similar OHS Committee Training to contact you with some ideas.
3. We will send you an OHS Committee Training proposal and a quote the very next day.
